

Office of the Director
of Central Intelligence

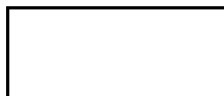

DATE: 26 February 1974

TO:

STAT

SUBJECT:

Attached is a self-explanatory memorandum from Dr. Kissinger on "Diplomatic Initiatives in Korea." Apparently the DDI was marked for action. Nonetheless, I would appreciate your keeping an eye on the response to this note (which is quite short-fused). I would like to see a reply before it goes out.

George A. Carver, Jr.
